## Description

Robust plastic stacking crate in **Euronorm format (600 x 400 x H 133 mm** - 24,8 liter) and part of our **RX series** - a product range used in a wide variety of applications. Users are found in industry and craft sectors, as well as in the fruit and vegetable sector and food processing.

Thanks to the **standardised dimensions** (600 x 400 mm), the stacking crate is **stackable with all other Euronorm stacking crates and bins**. The crate is **fully perforated**, meaning both the walls and the base are perforated. This allows rainwater to drain away easily.

The stacking crate is food-safe, has a **hygienic design** and is fitted with two practical open handgrips. The base is **reinforced on the underside** for optimal load capacity.
