Tub 30 litre - normal duty

Product specifications

External dimensions (L x W x H)	300 mm
Capacity	30 liter
Material	Recycled HDPE
Article number	99.4111
Weight (kg)	1,04 kg
Color	Black

Properties

- **Plastic tub with dimensions Ø 445 x H 300 mm and a capacity of 30 liters.**
- **Designed for normal use (normal duty).**
- **Equipped with a bottom rim to prevent abrasion.**
- **The bottom rim is reinforced, promoting durability.**
- **Suitable for various everyday tasks due to its sturdy construction.**
- **Ideal for household chores, gardening, and other general activities.**

Description

This plastic tub, measuring 445 millimeters in diameter and 300 millimeters in height with a capacity of 30 liters, is designed for normal duty usage. The tub is thoughtfully crafted with a reinforced bottom rim to prevent wear and tear from constant use. This feature ensures durability and longevity, making it well-suited for various everyday tasks. Whether you're handling household chores, gardening, or any other general-purpose activities, this plastic tub provides a reliable and sturdy solution.
