Properties

- **BIG BOX plastic pallet box - fully closed version - on 4 feet**
- **The XL-size pallet box is composed of two BIG BOXES - solidly mounted on top of each other and neatly finished**
- **The height of the XL-size BIG BOX is adjusted to your requirements**
- **Minimum height 870 mm; maximum height 1340 mm**
- **Assembly is carried out using plastic connecting pieces and nut-and-bolt fixings. In various cases, the boxes can also be welded together, both on the inside and on the outside of the box. Nut-and-bolt fixings can then be omitted**
- **Welding is carried out by means of plastic welding - wire welding or extrusion welding (PE)**
- **With convex, outward-curving walls for extra internal volume**
- **With a 1" outlet facility on one short side and one long side**
- **With a 2" outlet facility on one short side and one long side**
- **Options: Lid - print - QR codes and barcodes - check taps - screw plugs - coversheets**

Description

XL-size BIG BOX plastic pallet box in double-height version (1200 x 800 x H1215 mm - 1050 liter). Food-grade large-format BIG BOX pallet box on four feet in a closed version with reinforced base. The double pallet box is composed of two BIG BOX pallet boxes. The standard height of this DUO box is 1215 mm. A different height can be realised on request. The possible heights range from 870 to 1340 mm - with capacities between 750 and 1350 liter. Please ask our product specialists for the exact specifications. The BIG BOX is an especially robust plastic pallet box that is also highly versatile. Thanks to its strong product features, this pallet box series has been launched in many different versions - and very successfully.
