## Properties

- **BIG BOX plastic pallet box - fully closed version - on 4 feet**
- **The XXL-format pallet box is assembled from three BIG BOXES - firmly mounted on top of each other and neatly finished**
- **The height of the XXL BIG BOX is tailored to your requirements**
- **Minimum height 1320 mm; maximum height 1760 mm**
- **The standard height is 1760 mm**
- **Assembly is carried out using plastic connecting pieces and nut-and-bolt fixings. In various cases, the boxes can be welded together, both on the inside and on the outside of the box. Nut-and-bolt fixings can then be omitted**
- **Welding is carried out by plastic welding - wire welding or extrusion welding (PE)**
- **With convex, outward-curving walls for extra internal volume**
- **With a 1'' outlet on one short side and one long side**
- **With a 2'' outlet on one short side and one long side**
- **Options: lid - imprint - QR codes and barcodes - ball valves - screw plugs - coversheets**

## Description

XXL BIG BOX plastic pallet box in triple-height version (1200 x 1000 x H1760 mm - 1800 liter). Food-grade large-format BIG BOX pallet box on four feet, in a closed version and with reinforced base. The triple-height pallet box is assembled from three BIG BOX pallet boxes. The standard height of this TRIO box is 1760 mm. A different height can be produced on request. The possible heights range from 1320 to 1760 mm - with capacities between 1100 and 1800 liter. Please contact our product specialists for the exact specifications. The BIG BOX is an exceptionally robust plastic pallet box that is also highly versatile. Thanks to its strong product features, this pallet box series has been launched in many different versions - and very successfully.
