Properties

- **BIG BOX plastic pallet box - fully closed version - on 4 feet**
- **The XXL-size pallet box is composed of three BIG BOXES - solidly mounted on top of each other and neatly finished**
- **The height of the XXL-size BIG BOX is adjusted to your requirements**
- **Minimum height 1320 mm; maximum height 1760 mm**
- **Assembly is carried out using plastic connecting pieces and nut-and-bolt fixings. In various cases, the boxes can also be welded together, both on the inside and on the outside of the box. Nut-and-bolt fixings can then be omitted**
- **Welding is carried out by means of plastic welding - wire welding or extrusion welding (PE)**
- **With convex, outward-curving walls for extra internal volume**
- **With a 1" outlet facility on one short side and one long side**
- **With a 2" outlet facility on one short side and one long side**
- **Options: Lid - print - QR codes and barcodes - check taps - screw plugs - coversheets**

Description

XXL-size BIG BOX plastic pallet box in triple-height version (1200 x 800 x H1760 mm - 1500 liter). Food-grade large-format BIG BOX pallet box on four feet in a closed version with reinforced base. The triple pallet box is composed of three BIG BOX pallet boxes. The standard height of this TRIO box is 1760 mm. A different height can be realised on request. The possible heights range from 1320 to 1760 mm - with capacities between 1100 and 1500 liter. Please ask our product specialists for the exact specifications. The BIG BOX is an especially robust plastic pallet box that is also highly versatile. Thanks to its strong product features, this pallet box series has been launched in many different versions - and very successfully.
